**MUSIC COOP****WHAT?**

Describe in few lines your proposal

We will rent the music room at school for a symbolic price. We will attempt to offer students the space and basic equipment to play together at an accessible price.

We also would like to organise a concert!

**STRENGTHS**

We play in a rock band and know the requirements to equip and manage a music studio.

We know how to handle and take care of music equipment.

WEAKNESSES

We have no previous experience in organising events or services.

We are very bad in economic planning!
